Work Experience

Office Assistant Nov 2025 – April 2026
Cotton Corporation of India, Sirsa

- Managed farmer awareness initiatives through digital media, including content writing and video editing.
- Maintained and updated records of farmers and cotton collection centers.
- Drafted official notices and handled documentation work.
- Coordinated with farmers to resolve payment issues (Aadhaar linking, credit limits, inactive status).
- Monitored CCTV operations to ensure smooth transportation and reported any irregularities.

Web Developer Feb 2023 – Feb 2025
Menace Techdost Services Private Limited

- Developed e-commerce websites using WordPress and Shopify with responsive UI from Figma designs.
- Built dynamic web pages using HTML, CSS, JavaScript, jQuery, AJAX, and Bootstrap.
- Worked with Core PHP, Laravel, and CodeIgniter to develop web applications.
- Contributed to real-time projects, improving functionality and meeting client requirements.
- Fixed bugs and optimized performance for better user experience.

Business Development Intern Oct 2022 – Dec 2022
Banao Technologies

- Conducted LinkedIn outreach by sending connection requests and engaging with potential leads.
- Managed follow-ups and bulk messaging to maintain communication and improve response rates.
- Supported lead generation efforts through consistent networking and relationship building.
- Assisted in business development activities by identifying and connecting with potential clients.

Projects

Bus Ticket Booking System

A dynamic Online Bus Booking System built using PHP, MySQL, AJAX, JavaScript, HTML, and CSS. This web-based platform allows users to seamlessly search, filter, and book bus tickets with real-time seat availability and secure payment integration.

Dawaghar

Developed **Dawaghar**, an intuitive web platform designed to enhance the online shopping experience through seamless navigation and a clean, user-friendly interface. Built using WordPress, HTML, CSS, and JavaScript, the website is fully responsive and aligned with modern design standards for improved usability and performance.

Arth Diamonds

Designed and developed **Arth Diamonds**, a dynamic e-commerce website for luxury diamond jewelry, enhancing customer engagement through a seamless and refined shopping experience. Built using Shopify, HTML, CSS, and JavaScript, the site is fully responsive and visually appealing across all devices.
